Important Questions	Answers	Why This Matters:
What is the overall deductible?	Network: \$3,000 Individual / 6,000 Family Non-Network: \$6,000 Individual / \$12,000 Family	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this plan begins to pay.
Are there services covered before you meet your deductible?	Network Provider: Preventive Care	The plan covers some items and services even if you haven't met the <u>deductible</u> amount, but <u>copayment</u> or <u>coinsurance</u> may apply.
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the out-of-pocket limit for this plan?	Network: \$6,000 Individual / \$12,000 Family Non-Network: \$12,000 Individual / \$24,000 Family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services.
What is not included in the out-of-pocket limit?	Premiums, <u>balance-billing</u> charges (unless balanced billing is prohibited), penalties for failure to obtain pre-certification and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a network provider?	Yes. Cox Network. To locate a provider call Cox Network call (417) 269-2923 or visit www.coxhealth.com .	You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your plan pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a referral to see a specialist?	No. You don't need a referral to see a specialist.	You can see the <u>specialist</u> you choose without a referral.
